RE: South Carolina Electric & Gas Company Update of Construction Progress and
Request for Updates and Revisions to Schedules Related to the Construction of a
Nuclear Base Load Generation Facility at Jenkinsville, South Carolina
Docket No. 2009-293-E

Dear Mr. Terreni:

During the November 4, 2009 hearing in this Docket, the Commission directed South Carolina Electric & Gas Company ("SCE&G") to submit a late filed exhibit regarding the potential impact on critical path activities of a delay in the issuance of the wetlands permit for construction site as issue in the above-captioned matter.

Pursuant to the Commission's request, please accept this into the hearing record for this proceeding as a late-filed exhibit to be identified, per the court reporter, as Hearing Exhibit No. 11.

If you have any questions regarding these matters, please do not hesitate to contact me.

Very truly yours,

Belton T. Zeigler
